

**Looking for a long term, fulfilling career in safe, successful, family owned and operated manufacturing facility?**

***Rex Lumber is for you!***

We are looking for the best, brightest and safest to become part of our employee family.

Rex Lumber is not your grandfather's sawmill. We have invested millions of dollars into technology and seek employees with strong computer skills, work ethic, and ability to problem solve.

We manufacture the finest Southern Yellow Pine dimension lumber and ship to locations all over the Eastern United States as well as Internationally.

If you are hard working, driven, and enjoy the process of creating a product, please submit an application and resume to one of our three locations. Our facilities are located in Bristol, Florida, Graceville, Florida, and Brookhaven, Mississippi.

We offer health, dental, and life insurance, 401(k), along with vacation and holiday pay. In addition to these benefits, Rex Lumber offers opportunities for advancement to driven employees seeking to further their careers.

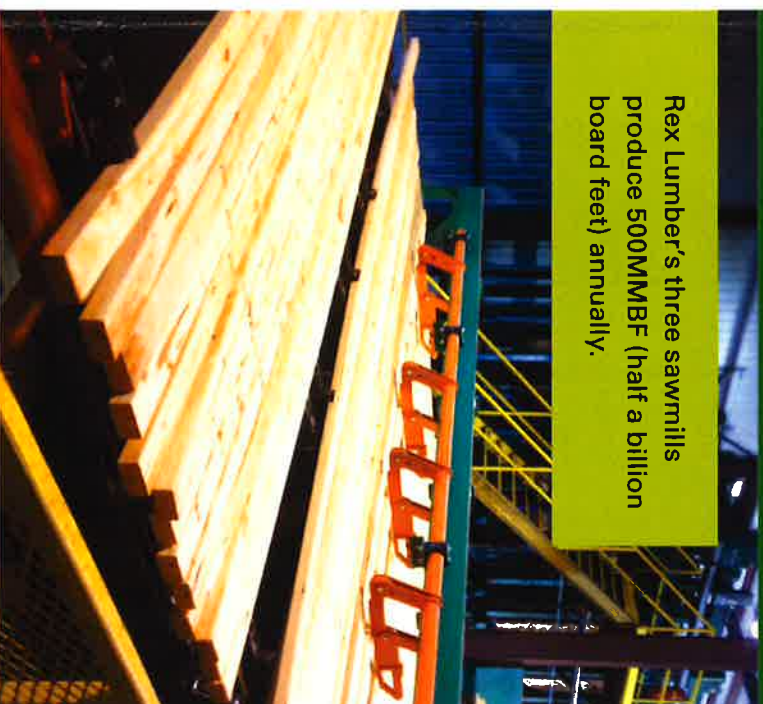

- Over the past 15 years Rex Lumber has expanded during economic downturns and now stands poised for a strong future

- Rex Lumber sawmills are the most technologically advanced in the Southeast

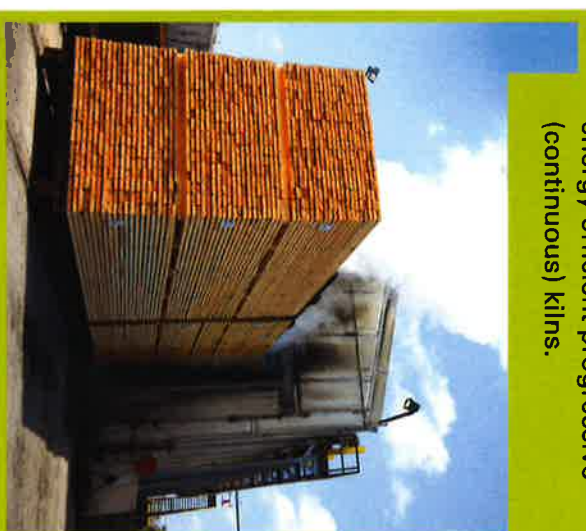

- Promotion from within is our company policy

- Additional skills training and education available

Rex Lumber's three sawmills produce 500MMBF (half a billion board feet) annually.

Rex Lumber operates six energy efficient progressive (continuous) kilns.

- Products manufactured, 2x4, 2x6, 2x8, 2x10, 2x12, 8 to 20 feet. Southern Yellow Pine
- Rex Lumber is an active member of Southeastern Lumber Manufacturers Association, Mississippi Lumber Manufacturers Association, Florida Forestry Association
- Rex Lumber promotes giving back to the communities in which we operate
- The McRae family has been operating in the forest products industry for over 100 years, 4th generation family business

**Start your long term  
career in manufacturing  
with Rex Lumber.**

***Come grow with us!***
